TRIP SCHOLARSHIPS

The 4-H Program is MUCH bigger than just activities and events at the club and even the county level. There are opportunities for youth to travel and participate in Statewide and Nationwide events. The process is painless! All you have to do is create and submit a cover letter, resume, and references page, along with completing the 4-H Trips and Key Award Interest Form. The cover letters, resume, and references will be reviewed. The final step in the process is for you to participate in a short interview with some Sauk County community members. Then you could be off to Georgia, our nation's capital, or Alabama.

The Senior Leaders will support one trip per youth per year, with the exception of being a Space Camp Counselor or attending National 4-H Conference. If youth are applying to be a Space Camp Counselor or to attend National 4-H Conference, they may also be awarded an additional trip scholarship. Check with your general leader; your club may also help pay for your participation in these trips.

Trip Scholarships are available for:

- **Space Camp:** Youth in grades 6th-8th grade at the time of the trip are eligible to apply to attend Space Camp. Youth will participate in hands-on mock space missions and other activities in the NASA program.
- **Space Camp Counselor:** Youth in grades 7th-10th grade who have attended Space Camp in previous years are eligible to apply to be a counselor for Space Camp. They help campers learn more during their experiences, leading activities and mentoring campers.
- **WI State 4-H & Youth Conference:** All youth in grades 7-10 are encouraged to apply for this trip! This is an AMAZING opportunity to live on the UW-Madison campus and attend workshops in just about every area you can imagine. The nightly entertainment and dances set an exciting atmosphere to meet 4-H members from all over Wisconsin. This experience is a MUST for all Wisconsin 4-H members!
- **Citizenship Washington Focus (CWF):** Is a leadership program for youth in grades 10th-12th (must be 15 at the time of the trip) from across the country. Youth will learn importance of civic and social responsibility as they relate to the development of better citizens and leaders. The week is full of workshops, speakers, field trips, tours of Washington DC, and social events. There are typically three weeks that Wisconsin will send youth to this event.
- **National 4-H Congress:** National 4-H Congress is an INCREDIBLE opportunity for youth in 10th-12th grade to participate in quality educational workshops and cross-cultural experiences with youth from all over the US.
